Artwork requirements

image
greyscale **only**

at least
1234 x 831pixels

vector
black and white **only**

4.113"x2.771"

image
greyscale **only**

at least
1234 x 1662pixels

vector
black and white **only**

4.113"x5.541"

Things to keep in mind:

Make sure you don't place important elements where the tab cutouts are and where the lid halves meet.

Solarbotics.com

ON
OFF

The on-off indication will be engraved unless otherwise specified (or do you want it to say 1/0? Drunk/Sober?)

Vector files sent as .cdr, .ai, .eps, .svg, .pdf, .dxf or .dwg with fonts converted to shapes
Greyscale image files sent as .jpeg, .tiff or .png

Solarbotics.com has to be present in the default location or elsewhere on the box.
